Advocate to keep daily Catholic Mass at the Ottawa Hospital (TOH)

For Catholics, the Mass is the universal reality of all that brings us together "under one body", the Body of Christ. It provides us with stability, peace, and a sense of wellbeing. This is true for patients, caregivers, hospital workers and families.

Recently, the decision to reduce provision of daily Mass to once a week was made without consulting stakeholders who attend the Mass.

For decades, patients and their families, hospital staff, volunteers, students/trainees, and staff from adjoining institutions have attended the Catholic Mass from 12:00-12:30 in the multi-faith prayer room at the Ottawa Hospital. They gather to pray for the needs of patients, families, healthcare staff, and others. It has brought immense comfort to families grieving the sickness/death of loved ones, and provides strength to frontline staff caring for patients in a stressed environment.

For many Catholics, daily observance of the Catholic Mass is integral to their religious practice and contributes to spiritual and psychological well-being.

Please provide your name and contact information to advocate for the continuation of daily Mass at the Ottawa Hospital:
